

ISPOR BVU STUDENT CHAPTER

INTRODUCTION:

ISPOR (International Society for Pharmacoeconomics and Outcomes Research) is an international non-profit organization founded in 1995. The main objective is to promote health economics and outcomes research excellence to improve decision making for health globally. Currently there are 9 student chapters present under ISPOR in India, and ours is one of them.

MISSION:

The mission of the ISPOR-BVDU student chapter is to:

- Provide an environment where students can share knowledge in pharmacoeconomics and health outcomes research.
- Serve as a bridge in bringing together students interested in pharmacoeconomics and members of the pharmaceutical industry, health-related organizations and academia.
- Act as a resource for new students interested in pharmacoeconomics and outcomes research.
- Provide an opportunity for student chapter members to become familiar with the affairs of ISPOR as well as have representations in its affairs.

TOTAL STUDENT MEMBERS: 173

ISPOR BVU EVENTS:

ISPOR-BVU student chapter has conducted various several events over the academic year of 2016-2017. There have been many community projects handled by ISPOR-BVU student chapter such as –
