Jagrukata aur Paramarsh PCP Club

Students in PCP have established JPPCP Club (Jagrukata aur Paramarsh PCP Club) to spread awareness in the community for the prescription medicine, storage guidance, expiry date, drug administration, contraindication, drug-drug/ drug-food interaction, antibiotic resistance. Also, to develop students by inculcating the knowledge of value education, ethical practices in publication, professional communications, interview skills and scientific writing.

The club has been selected for the AICTE sponsorship scheme for promoting interest, creativity and ethics among students (SPICES).

Vision:

Overall development of students to serve community along with value education, skill development and ethics

AIM:

To encourage student activities by way of student clubs for overall grooming of students

Student Activities:

- Awareness program for medicine storage for patients [Actual Expiry date, storage conditions, drug administration, contraindication, drug-drug/ drug-food interaction, Antibiotic resistance, etc.]
- Free check up patients with doctors, provide leaflet for management of disease, collect feedback
- Patient counselling and Identification of patient with lifestyle disorder and weak mental health
- Provide information to improve mental health and management of life style disorders via holistic approaches (UHV and Yoga)

- Workshops on writing skills in "Professional Communications" and "Publication Ethics"
- Case Studies in publication ethics, interviews of reviewers, publishers, editors of the scientific journals
- Writing concept notes and Review Articles from students
- Scientific Report writing by students and article writing by students
