From the Principal's Pen

My Dear Alumni,

Greetings to all,

It gives me a great pleasure to introduce before you the Sixth issue of PCPians' Bulletin.

Bharati Vidyapeeth's Poona College of Pharmacy, was established in 1981 by Hon'ble Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth. This was the first ever college imparting Pharmacy education within the jurisdiction of Pune University. Dr. Patangrao Kadam cherished a dream of making this college a throbbing centre of excellent pharmacy education and research. Under his able guidance, together we have done our best to fulfill the dream of our founder. Since 1981, college pioneer in pharmacy education was affiliated to University of Pune. Since July, 2000, it was incorporated under Bharati Vidyapeeth Deemed University as its constituent unit. This step of merging in Bharati Vidyapeeth Deemed University was particularly motivated because of the academic autonomy, the college has established.

Our college offers B.Pharm., M.Pharm. and Ph.D. in all specialization of Pharmacy and it is an approved college from both AICTE and Pharmacy Council of India, New Delhi.

Based on the infrastructure, facilities and faculty of the college both National Accreditation Bodies viz. NBA and NAAC have awarded the most coveted "A GRADE" to our college. Our college is now recognized Nodal (national) centre for QIP, programme in pharmacy of AICTE and we have AICTE approved Industry Institute Partnership Cell running in our college. Our college is also ISO-9001-2008 Certified Institute. Recently our college has started the Doctor of Pharmacy (Pharm. D.) programme from 2009-10. Our college is the first and only college in Maharashtra State approved by PCI to conduct Pharm.D. (Six years after 12th Sci/ D.Pharm.) and Pharm.D. Post Baccalaureate (three years after B.Pharm.). I am happy to let you know that our college has been ranked 11th among all the Pharmacy colleges of India by National Institute Ranking Framework (NIRF), MoE, New Delhi. I believe that this success of institute is due to teaching and non teaching staff, students, alumni and parents. I expect similar cooperation from the alumni in coming future.

You can communicate your suggestions related to syllabus designing for current students, alumni association, conducting guest lectures, collaborative research etc. in our college on my email (krmahadik@rediffmail.com) or the associations email i.e. pcpalumni@gmail.com. I invite all the alumni visiting Pune, to schedule a visit to our college and interact with the students.

I look forward for continued and ever inspiring participation from all the alumni in the forthcoming events of Poona College of Pharmacy Alumni Association.

With best regards

Yours Truly,

Professor K. R. Mahadik,

Principal, Poona College of Pharmacy
Bharati Vidyapeeth Deemed University
