I take this opportunity to introduce before you the second issue of PCPians' Bulletin.

*It gives me great pleasure to inform you that our college has gained **9th RANK** based on Research output amongst the all India Pharmacy Colleges (Indian Journal of Pharmaceutical Education and Research, Vol.45 (1), pages 1 -7, 2011; Research in Pharmacy Schools of India: A study based on Scopus Database). Further our college has been ranked at **15th POSITION** amongst India's Top 25 Pharma colleges as per a survey conducted by Outlook Careers 360, July 2011. I believe that we have achieved this success due to valuable contribution of all alumni, students and faculty of our college. I congratulate all of you for this achievement on behalf of Bharati Vidyapeeth, Bharati Vidyapeeth Deemed University, Poona College of Pharmacy and Poona College of Pharmacy Alumni Association.*

As you know this college known as Bharati vidyapeeth's Poona College of Pharmacy, was established in 1981 by Hon'ble Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth. This was first ever college imparting Pharmacy education within the jurisdiction of Pune University. Dr. Patangrao Kadam cherished a dream of making this college a throbbing centre of excellent pharmacy education and research. Under his able guidance, together we have done our best to fulfill the dream of our founder. Since 1981, college pioneer in pharmacy education was

affiliated to University of Pune. Since July, 2000, it was incorporated under Bharati Vidyapeeth Deemed University as its constituent unit. This step of merging in Bharati Vidyapeeth Deemed University was particularly motivated because of the academic autonomy, the college has established.

*Our college offers B.Pharm., M.Pharm. and Ph.D. in all specialization of Pharmacy and it is an approved college from both AICTE and Pharmacy Council of India, New Delhi. Based on the infrastructure, facilities and faculty of the college both National Accreditation Bodies viz. NBA and NAAC have awarded the most coveted “**A GRADE**” to our college. Our college is now recognized Nodal (national) centre for QIP, programme in pharmacy of AICTE and we have AICTE approved **Industry Institute Partnership Cell** running in our college. Our college is also **ISO-9001-2008** Certified Institute. Recently our college has started a **Doctor of Pharmacy (Pharm. D.)** programme from 2009-10. Our college is the first and only college in Maharashtra State approved by PCI to conduct Pharm.D. (Six years after 12th Sci/ D.Pharm.) and Pharm.D. Post Baccalaureate (three years after B.Pharm.).*

You can communicate your suggestions related to syllabus designing for current students, alumni association, conducting guest lectures, collaborative research etc. in our college on my email (krmahadik@rediffmail.com) or the associations email i.e. pcpalumni@gmail.com. I invite all the alumni visiting Pune, do schedule your visit to our college and interact with students. Our M. Pharm. results are declared, you can help our juniors by arranging campus interviews for them.

I look forward for continued and ever inspiring participation from all our alumni in the forthcoming events of Poona College of Pharmacy Alumni Association.

With Best regards.

Yours Truly,
